Congratulations to achievement night participants!

**NATIONAL
4-H WEEK**
OCTOBER 6-12, 2019

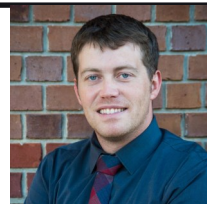

Here in Lake county (and all of Montana) we are celebrating 4-H week. What can you do to participate? We encourage outreach by setting up 4-H displays at schools and offices in Lake County. The community fairgrounds could always use volunteers to clean up and organize. You can also like us on our 4-H Lake County facebook page at the link [here](https://www.facebook.com/Lake-County-4-H-100258408024446/).

Breton Homewood Bio and Interests:

Breton is an avid Florida Gators football fan. He is currently residing in the Jocko region near Arlee and loves the commute up to Ronan. Breton, as a third generation beekeeper, has always had a bee-hive (or ten) in his backyard. Working with honey-bee products, Breton has sold his candles, honey, and bee gifts at local farmers markets in Florida and Arizona. Breton went to Northern Arizona University in Flagstaff where he learned to love the outdoors and cold winters. Breton's interests include fly-fishing, biking, hiking, running and camping. He also loves to work on cars, cook, and build useful things like furniture or camping blankets. Breton is currently fixing up a 1972 VW Beetle and is looking forward to eventually teaching basic mechanics with it to everyone interested.
